“ On her first day, YuYu, a former brothel boss arrived almost an hour early in the morning because she didn't want to be late for work. As she began our onboarding process and learned about our company's mission, vision and values, YuYu cried. On her second day here, YuYu asked if she could introduce us to the other women who used to work in her brothel so they could come to our artisan community too. We hope her enthusiasm about the opportunities here will influence the women she previously employed. ”
